RP-CDHM15	HDMI Mini Cable 1.5m	(AV Acc BU)	YES	YES	YES			YES			YES																									
RP-CDHM30	HDMI Mini Cable 3.0m	(AV Acc BU)	YES	YES	YES			YES			YES																									

***1 You cannot attach DMW-LW55, DMW-LT55, DMW-LND55, DMW-LMC55 and DMW-LC55 to FZ7/8 without adaptor, DMW-LA2.**
Because the diameter of included hood adaptor of FZ7/8 is 52mm, we recommend DMW-LND52 and DMW-LMC52 as standard ND Filter and MC Protector of FZ7/8.
***2 But, we cannot use DMW-LT52, LMW-LW52 and DMW-LC52 with FZ7/8, because the spec does not match. Distortion will occur, if you use these accessories with FZ7/8.**
***3 You need adaptor DMW-LA1.**
***4 May not fit depending on exchanged lens set.**
***5 TTL metering not available.**
***6 TTL metering does not work. (FP emission is available with FL500/360 in combination with L1.)**
***7 You cannot attach DMW-LT55 and DMW-LC55 to FZ18 without adaptor DMW-LA3.**
***8 Main unit only, without Hood**
***9 You need AC Adaptor DMW-AC6**
***10 You need DC Coupler DMW-DCC2**
***11 You cannot attach DMW-LW46 and DMW-LND46 and DMW-LMC46 and DMW-LPL46 to LX3 without adaptor DMW-LA4.**
***12 You need Mount Adaptor DMW-MA1.**
***13 You need AC Adaptor DMW-AC5**
***14 You need DC Coupler DMW-DCC4**
***15 You need Multi Conversion Adaptor DMW-MCA1**
